## GENERAL

*This section of the Document sets out introductory information about the UK AIFMR, and the purpose of this Document in relation to the UK AIFMR*

### 1. **AIFMD**

Directive 2011/61/EU ("AIFMD") is a European Union directive which regulates (amongst other things) the management and marketing of an alternative investment fund (an "AIF") by an alternative investments fund manager (an "AIFM") within the EEA.

### 2. **UK AIFMR**

The UK implemented AIFMD through the Alternative Investment Fund Managers Regulations 2013 (the "UK AIFM Regulations") and the Investment Funds sourcebook ("FUND") and other changes to the FCA Handbook (the UK implementation of AIFMD is referred to in this Document as the "UK AIFMR"). The UK AIFMR remains in force following the UK's withdrawal from the EEA (with certain amendments) and primarily regulates the management and marketing of AIFs by an AIFM within the UK.

UK AIFMR distinguishes between (i) UK AIFs and Non-UK AIFs, and (ii) UK AIFMs and Non-UK AIFMs, and different regulatory obligations apply depending on whether the AIFM and the AIF are UK or Non-UK.

For the purposes of the UK AIFM Regulations, the Company (including separately each of its cells) is categorised as a Guernsey domiciled, internally managed non-UK AIF. This is because the board of directors of the Company (the "Directors") has overall responsibility for the Company's (and each cell's) activities, including the risk and portfolio management activities of the Company (and each cell) and carries out all risk management activity in relation to each cell. The Cell is therefore an internally managed non-UK AIF and the Company is its non-UK AIFM for the purposes of UK AIFMR.

### 3. **Marketing of the Fund in the UK**

Under UK AIFMR, an internally managed non-UK AIF may market its units or shares to investors in the UK, under the UK's national private placement regime, subject to complying with the requirements in Regulation 59 of the UK AIFM Regulations. These requirements include complying with the obligation in FUND 3.2.2 R, under which a Non-UK AIFM must make available to each prospective investor in the AIF in the UK certain prescribed information before the investor may invest in the AIF (the "FUND 3.2.2 Disclosure").

### 4. **Purpose of this Document**

This Document, the Scheme Particulars (defined below) and the Cell Particulars (defined below) are together intended by the Company (in its capacity as internal AIFM) to satisfy the FUND 3.2.2 Disclosure requirements in respect of the Cell (the relevant internally managed AIF).

As such, the Company will make this Document available to each relevant prospective UK investor in the Cell, before that investor invests in the Cell.

The Company may, in its sole discretion (but subject to applicable law), make this Document available to other investors.

5. **Status of the Scheme Particulars and the Cell Particulars**

This Document cross-refers to, and must at all times be read in conjunction with, the Scheme Particulars and the Cell Particulars (each as defined below).

6. **Material Changes**

The Company shall inform investors of any material changes to the information contained in this Document in accordance with the UK AIFMR.

The latest version of this Document is available on request to the Company. Existing investors in the Cell who are making further investments in the Cell should ensure that they obtain and review the latest version of this Document prior to making such further investments.

7. **Interpretation**

References to statutory provisions, regulations, notices, the UK AIFM Regulations or FUND shall include those provisions, regulations, notices, the UK AIFM Regulations or FUND as amended, extended, consolidated, substituted, re-issued or re-enacted from time to time.

Unless the context otherwise requires and except as varied or otherwise specified in this Document, capitalised terms contained in this Document shall bear the same meaning as in (in order of priority): (i) the Kleinwort Hambros Elite Multi Asset Growth Fund Cell Particulars (the "Cell Particulars"); and (ii) the Kleinwort Hambros Elite PCC Limited Scheme Particulars (the "Scheme Particulars") and any respective supplements to each, and as each may be amended and/or restated from time to time.
