PART 5 UK RESIDENT NON DOMICILED

Please select the service you require by ticking the relevant boxes below.

Discretionary

Investment Advisory²

Do you allow investments in assets deemed UK Situs? Yes No

As a UK Resident Non Domiciled client, you will have two options to manage your money depending on your situation. If you no longer have available clean capital then you can choose a set up consisting of two accounts:

Dealing account: A dealing account is an account holding cash and securities

Income account: An income account is an account into which any type of income (dividends, interest) linked to your investments is transferred

If you still have clean capital³, then you can choose to open segregated accounts⁴. The aim of account segregation is to help you avoid the complications associated with the mixed fund rules.

Clean capital: A clean capital account will hold cash balances representing foreign income and gains arising before the account holder becomes UK resident. The only funds that would be added to this account after that point would be UK-sourced income (taxed as it arises) or foreign income taxed in the UK

Investment gains/losses: An investment gains/losses account is an account into which the full proceeds from the disposal of any foreign investments or assets that have produced a capital gain or a capital loss after arrival are transferred

Income: An income account is a bank account into which any other overseas income is transferred

Investment income gains: An investment income gains account is an account into which the proceeds of the disposal of a non-reporting offshore fund are transferred

Investment mixed funds: A mixed fund account is an account into which different types of income, such as bank interest, dividends and earnings, or capital would be paid

Accordingly, by signing in the place provided below you agree and acknowledge that the product and/or service you are applying for does not guarantee tax efficiency. It is your responsibility to consult your own independent tax advisers or experts on your particular circumstances.

We will provide investment advice based upon the information you provide in the Account Agreement or otherwise provide to us. We may provide advice orally or in writing.

³ You have to make sure that the clean capital account meets all requirements defined by HM Revenue & Customs.

If a covered deposit is unavailable because a bank is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum £85,000 per bank. This means that all eligible deposits at the same bank are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

In some cases, eligible deposits which are categorised as "temporary high balances" are protected above £85,000 for 6 months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

FINANCIAL SERVICES COMPENSATION SCHEME (FSCS)

For clients of our UK and Gibraltar Branches

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayment amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request. Again, there are specific exceptions to this obligation.

If you have not been repaid within these deadlines, you should contact the Financial Services Compensation Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under www.fscs.org.uk
