### 4. HOW WE COLLECT YOUR PERSONAL DATA

---

We collect your Personal Data:

## **5. SOURCES OF PERSONAL DATA**

---

We collect your Personal Data:

- directly from you or your company, e.g. through information provided during the onboarding process, including background and reference checks;
- when it is provided to us by a third party, e.g. from online searches or referrals; and
- when information is created as a result of the ongoing contractual relationship between us.

## **6. HOW WE USE PERSONAL DATA**

---

We are a data controller which means that we are responsible for deciding how we hold and use Personal Data about you. We may use your Personal Data before, during and after our relationship with you.

We will only use your Personal Data when the law allows us to. Most commonly, we will use your Personal Data in the following circumstances:

1. where we need to perform the contract we have entered into with you;
2. where we need to comply with a legal obligation; and
3. where it is necessary for our legitimate interests (or those of a third party) and your interests and fundamental rights do not override those interests.

We may also use your Personal Data in the following situations, which are likely to be rare:

1. where we need to protect your interests (or someone else's interests);
2. where it is needed in the public interest; and
3. where you have given your consent.

## 6. HOW WE USE PERSONAL DATA CONTINUED

---

### (a) Situations in which we will use your Personal Data

We need all the categories of Personal Data described above primarily to allow us to:

- \* perform our contract with you;
- \*\* enable us to comply with legal obligations; and
- \*\*\* pursue legitimate interests of our own or those of third parties, provided your interests and fundamental rights do not override those interests.

The situations in which we will process your Personal Data are listed below. We have indicated by asterisks from the above list the principal legal basis on which we are processing or will process your Personal Data, although please note that some of the grounds for processing will overlap and there may be several grounds which justify

our use of your Personal Data. Where the legal basis of legitimate interests is applicable we explain what these are in square brackets.

- To carry out our obligations under the agreement with you. \*
- To confirm and verify your identity and, where applicable, conduct an appropriateness assessment. This may involve the use of other companies in the Societe Generale Group or third parties acting as our or their agents for screening against publicly available information (including law enforcement agency sanctions list(s)) or involve companies in the Societe Generale Group otherwise assessing your risk profile. \*\*
- To carry out business operational and administrative activities, including record keeping and audits and to ensure security and business continuity. \*
- To carry out statistical and other analysis (including behavioural analysis). \*\*\* [In order to manage our business we need to understand and analyse our relationships with third parties.]
- To comply with any applicable laws and regulations and/or any voluntary code or industry best practice we reasonably decide to adopt. \*\*
- To comply with the request or requirement of any court of any relevant jurisdiction or any relevant tribunal, mediator, arbitrator, ombudsman, taxation authority or regulatory or governmental authority. \*\*

## 6. HOW WE USE PERSONAL DATA CONTINUED

---

- As is reasonably necessary to trace you (for example, if the contact details you have provided to us are no longer correct), trace debtors and enforce or seek to obtain settlement of amounts owing to us due to a default. \*\*\* [We need to be able to recover monies that you owe to us which may require additional processing of your Personal Data if, for example, you have moved house without telling us.]
- To carry out the detection, investigation and prevention of fraud, tax evasion, money laundering, bribery, corruption, terrorist financing and other crime or malpractice and oversee and report on such detection, investigation and prevention activities over such matters by us, other companies in the Societe Generale Group or other third parties. \*\*\* [In order to protect us and others from any crime or malpractice we need to be able to process your Personal Data. This may include conducting additional checks to confirm instructions or other communications].
- For use in connection with any legal proceedings or regulatory action (including prospective legal proceedings/regulatory action) and for obtaining legal advice or for establishing, exercising or defending legal rights. \*\*\* [In order to protect our position in relation to any legal proceedings or regulatory action we may need to analyse records including your Personal Data and share it with our professional advisors, third parties, the courts and regulators.]

### **(b) Special category Personal Data**

Data processing may include the processing of Special Category Personal Data about you. Such Special Category Personal Data requires higher levels of protection. We need to have further justification for collecting, storing and using this type of Personal Data. We may process special categories of Personal Data in the following circumstances:

1. In limited circumstances, with your explicit written consent;
2. Where we need to carry out our legal obligations and in line with our data protection policy; and
3. Where it is needed in the public interest and in line with our data protection policy.

Less commonly, we may process this type of information where it is needed in relation to legal claims or where it is needed to protect your interests (or someone else's interests) and you are not capable of giving your consent, or where you have already made the information public.

## 6. HOW WE USE PERSONAL DATA CONTINUED

---

The most common processing of Special Category Personal Data by us occurs where:

- you ask us to send communications in large type or by audio cassette in which case we will keep a record of such request for future communications; and
- we record information from public sources about political opinions and religious beliefs that may be relevant to our assessment of your application or as part of our ongoing monitoring. For example, this might include information about you being on a board of a religious foundation or being a member of a political party.

### **(c) Information about criminal convictions**

We may only use information relating to criminal convictions and offences where the law allows us to do so. This will usually be where such processing is necessary to carry out our obligations and provided we do so in line with our data protection policy.

Less commonly, we may use information relating to criminal convictions where it is necessary in relation to legal claims, where it is necessary to protect your interests (or someone else's interests) and you are not capable of giving your consent, or where you have already made the information public.

The most common processing of information about criminal convictions and offences by us occurs when we share it for the purposes of the prevention or detection of crime and anti-fraud purposes, including the making of suspicious activity reports to the appropriate crime agency. We may also collect publicly available information on criminal convictions and offences as part of our assessment of your risk profile.

### **(d) If you fail to provide Personal Data**

If you fail to provide certain information when requested, we may not be able to perform the contract we have entered into with you, or we may be prevented from complying with our legal obligations (such as to complete our due diligence checks).

### **(e) Change of purpose**

We will only use your Personal Data for the purposes for which we collected it, unless we reasonably consider that we need to use it for another reason and that reason is compatible with the original purpose. If we need to use your Personal Data for an unrelated purpose, we will notify you in writing and update this Privacy Notice on our website at: [www.kleinworthambros.com/en/important-information](http://www.kleinworthambros.com/en/important-information) and we will explain the legal basis which allows us to do so.

Please note that we may process your Personal Data without your knowledge or consent, in compliance with the above rules, where this is required or permitted by law.

## **7. AUTOMATED DECISION-MAKING**

---

We do not envisage that any decisions will be taken about you using automated means, however we will notify you in writing and update this Privacy Notice on our website at: [www.kleinworthambros.com/en/important-information](http://www.kleinworthambros.com/en/important-information) if this position changes.

We, or the relevant member of the Societe Generale Group, will take all reasonable steps to ensure that the service provider or agent is subject to appropriate data processing requirements and that they impose such requirements on any of their service providers or agents;

## **8. DISCLOSURE OF PERSONAL DATA**CONTINUED

---
